## The Passive

44 Listen and repeat. Then act out.

- We form the passive with the verb **'to be'** and the past participle of the main verb.

The letter was **written** by Tim.

Study the following examples to see how the passive is formed in the present simple and past simple:

|   | Active                  | Passive   |
|---|-------------------------|---|
| Present Simple  | Jack waters the plants. | The plants are watered by Jack.   |
| Past Simple   | Tina sent the email.    | The email was sent by Tina.   |
| Interrogative   |                         | Negative  |
| Are the plants watered every week?<br>Was the email sent by Tina? |                         | The plants aren't watered every week.<br>The email wasn't sent by Tina. |

When changing a sentence from the active to the passive:

- the object of the active sentence becomes the subject of the passive sentence.
- the active verb changes into a passive form. (**to be + past participle**)
- the subject of the active sentence becomes the agent and is either introduced with the preposition **by** or omitted.

|         | subject | verb    | object     |
|---------|---------|---------|------------|
| Active  | George  | fed     | the dog.   |
| Passive | The dog | was fed | by George. |

We use the **passive**:

- when the agent (the person who does the action) is unknown, unimportant or obvious from the context.

My wallet **was stolen** yesterday. (unknown agent)

The house **is cleaned** twice a week. (unimportant agent)

The thief **was arrested**. (by the police – obvious agent)

- when the agent is one of the following words: **people, one, someone/somebody, they, he, etc.**

They **published** the report last week.

The report **was published** last week.
